### **GENERAL INFORMATION TO IMPORTER/PERMIT HOLDER/AGENT**

#### **PLANT IMPROVEMENT ACT, 1976 (ACT NO. 53 OF 1976)**

Please note that if a kind of plant (e.g. (sunflower, maize, etc.) has been declared in terms of the plant Improvement Act, 1976(Act No. 53 of 1976) and a variety list is in existence for such a kind of plant, the name of variety that is to be imported must appear on the variety list.

If the variety name does not appear on the variety list, authorization must be obtained to import a variety of such a kind of plant.

In order to obtain such authorization, or in the case of any uncertainty, please contact the register: Plant Improvement for assistance at the following contact details:

Directorate: Plant Production  
Ms. Joan Sadie  
Tel: (012) 319 6034  
Fax: (012) 319 6353

or write to The Registrar: Plant Improvement, Private Bag X250, Pretoria, 0001.

#### **GENERALLY MODIFIED ORGANISMS ACT, 1997 (ACT NO. 15 OF 1997)**

Subject to the provisions of sub regulation 2 of the Genetically Modified Organisms Act, 1997 (Act No. 15 of 1997), all activities with genetically modified organisms (GMO'S) are subject to a permit.

Application forms for the permit, export, development, production, use, release or distribution of any GMO's can be obtained from the registrar for GMO'S at the numbers below.

In order to import, please take note that a permit for importation can only be issued once approval for the development, production, use, release, or distribution of the GMO has been granted. All activities must be approved by the executive council before the registrar can issue a permit.

Please accept the above as a guideline, but take note that all stipulations of the relevant Acts in SA should be complied with and that a permit issued in terms of the GMO Act does not exempt the permit holder from any other Act, ordinance or agreement.
